

Complaints & Sample Recording Procedure

M J Hunt & Son — Upper Assendon Farm, Stonor, Henley-on-Thames, Oxfordshire RG9 6HE

SBI 106227532 · CPH 33/227/0030

Document owner: James Hunt · Last reviewed: 14 September 2026 · Next review: September 2027

Purpose

This procedure covers the recording, investigation and resolution of complaints (from the public, customers, local authorities or others) and the results of any samples taken that are relevant to food safety, animal welfare or environmental protection — for example residue testing, milk/meat sampling, or environmental/water sampling.

Procedure

- Log every complaint or relevant sample result in the table below (or the Farm Hub equivalent) as soon as it is received.
- Investigate the cause promptly — James Hunt or Harry Costar to lead the investigation.
- Record the action taken to resolve the immediate issue and to prevent it happening again.
- Close out the log entry once the action is complete. Keep records for at least 2 years.
